- Confetti is permitted for use outside the barn but **must** be natural flowers. Plastic confetti and confetti cannons are not allowed and if used with sadly result in a clean up fee deducted from your damage deposit.

Can we bring our own flowers our use our own florist ?

- Yes absolutely you are more than welcome to use whoever you wish when it comes to decorating the barn with flowers. We do however ask that all flowers are cleared from the venue the morning after your wedding day.

Can we have a band or Dj ?

- We love live music and bands and DJ's are welcome to play at the farm on your wedding day. We do however ask that they play through our RCF Evox 12 PA system. This can be done by plugging into an XLR socket in the barn. Bands and DJ's must be made aware of this prior to your event. All doors and windows in the barn will be closed once the party starts as this helps protect our neighbours from disturbance.

What time does the bar close and music stop?

- The party stops at midnight, as does our bar service. Taxis home or to local accommodation should be organised for then. All guests not staying at the Willow Marsh Farm should kindly exit the site by 12:45 am.

Who do we contact to organise the registrar ?

- Your civil ceremony must be organised by yourselves and it can be done by calling 0300 500 8080. The farm is in the Rushcliffe district so our nearest registry office is in West Bridgeford.

Can we have a fireworks display ?

- Fireworks are **not** permitted in any areas of the farm. We have horses and cattle living in the fields, so sadly sparklers are the nearest alternative and are permitted for outside use only.

Can our guests camp at the farm ?

- We don't allow guests to free camp in our fields, we have lots of wonderful nearby accommodation options for them. However if you wish to hire a bell tent village then this is allowed depending on the season.

Is there a damage deposit ?

- Yes we have a refundable damage deposit of £ 1000 that is repaid the week following your event. Any damages made will be deducted from the total after discussion with yourselves.
